BA, ENGLISH MAJOR

GENERAL EDUCATION: A complete listing of General Education courses can be found at the Office of Academic Support and Information Services (OASIS) or online at <http://www.ric.edu/recordsoffice/Pages/College-Catalog.aspx>; look at catalog for year you enrolled. For Gen Ed courses, aside from Second Language requirement, which varies depending on where you are placed, you need ONE course from each category. Second Language 101/102 options are: American Sign, Arabic, French, German, Italian, Japanese, Latin, Portuguese, or Spanish. For other ways to satisfy the second language requirement look under the Gen Ed. section of the catalog. Any courses marked (F) offered Fall only; (Sp) Spring only. All courses marked with an asterisk * have a prerequisite. Courses with (WID) are Writing in the Discipline courses and will be writing intensive.

This map is a semester-by-semester plan to help you toward graduation in four years. Not everyone graduates in four years as it depends on how many courses you can take, and how you do in those courses. This map is not your only route; it is a suggestion. You might take additional courses over the summer (or early spring/winter) to catch up or get ahead if the courses you need are offered at these times. While many courses in your major will have prerequisites that will need you to take them in a special order, there is some flexibility in this map, but always double check you have the correct prerequisites for a course you plan to take. Maps assume a Fall start.

The column to the left on the other side of this page suggests the ideal courses for you to take each semester. There are times when those courses may be full or unavailable the semester you plan to take them, in which case consider another course from a different semester with which you can switch. The column on the right has "Checkpoints" for each semester that show where you should be by the end of that semester. You should work from this map as you plan each semester's schedule, before checking in with your advisor. The Map is designed primarily for freshmen coming to college for the first time, but transfer students may also use the Rhode Map with the understanding that they have most likely completed several requirements through transfer of credit, and will be starting further into the program.

GRADUATION REQUIREMENTS: The following requirements must be completed by undergraduate degree candidates at Rhode Island College in order to graduate:

Prerequisite for Literature 300/400 level courses is ENGL 200; for Creative Writing 300/400 level courses it is ENGL 220.

For more information, check the English Department website: <http://www.ric.edu/english/Pages/default.aspx>

Note: ENGL 200, 300 and 460 are offered Fall and Spring but not over the Summer.

You might also consider the English B.A.—with Concentration in Creative Writing or Concentration in Professional Writing, both of which have a greater emphasis on writing courses. Or there is the 20-credit minor in Creative Writing which can be done in addition to the English major. There is also a 24-credit minor in Professional Writing that you may wish to consider in addition to the major, which includes an internship. See details at the website listed above.

NOTE: The total credit count for the BA English major is 44 credits, and there are 40 credits of Gen Ed. with possibly 9 more depending on secondary language needs and RIC 100, making an overall total of 84 credits (without secondary language/RIC 100). This leaves room for 36 credits that may need to include two secondary language courses (and RIC 100), but could go toward another major, a minor, or electives.
