Comments: Requesting updates to the descriptions and prerequisites of ENGL 491 and 492 to make it clearer to students the expectations of these two Independent Study honors sequence courses, and clarify who assesses the final theses. 491 will add that students should have completed 12 hours of 300/400 level English courses before they can pursue this option, to ensure they are prepared for the rigors of research and critical inquiry.

Comments: #055 requests a change of title for the BS Chemistry Concentration in Biological Chemistry, into a Concentration in Biochemistry. Also #056 is a new course CHEM 419 Biochemistry Mechanisms, which will be substituted in the concentration for
