Report of Undergraduate Curriculum Committee Action  
Document(s): #16-17-005

Recommendation: Approve.  
Date of Action: 11/18/2016  
Originated by: Richard Whitten, Chair, Art Department  
Recommended by Undergraduate Curriculum Committee  
(Department, Person, or Group)  
Effective date: Summer 2017.  
Catalog citations: See pages on Curriculum website.

Comments: Request to approve a "new" course ART 201 Introduction to Visual Arts. This is a slightly unusual request in that ART 201 was a course that was deleted in error back in 2014. It needs to be recreated, and implemented for the Summer sessions

(ahead of the more usual fall implementation), in order that it may be offered as an EEP course in the Fall. It was felt that it would cause less confusion if the same prefix number was used, rather than give it a new one, as it is the exact same course as was previously in the catalog.
