

**ART EDUCATION PROGRAM
GRADUATE ASSISTANT (1 half-time position)
for 2021-2022**

DUTIES AND RESPONSIBILITIES

The RIC Art Education Program is seeking a half-time Graduate Assistant to work 10 hours per week to assist with program administration. Responsibilities will include documentation, digitization, organization, and management of program information, data, and visual imagery – and with research and preparation of new materials and digital records. Also, we are particularly interested in an applicant who could assist with the program’s further use of technology, digital media, and social media in support of our visual arts teacher preparation program and with special projects and events. We will be implementing a redesigned Art Education Program during the 2021-2022 academic year, so we are eager to have a talented and helpful Graduate Assistant to assist in launching a new era in visual arts teacher education at the College.

CONTRIBUTION TO PROFESSIONAL DEVELOPMENT

The Art Education Program’s Graduate Assistant will gain professional experience in digital media applications, organizational management, program administration, and educational leadership, with the opportunity to enhance and showcase personal technology skills, administrative skills, and professional initiatives.
