[] not counted towards graduation credit

** Language: A second language requirement under the supervision of the Committee on General Education, the credits are not counted within the total General Education Credits but which nonetheless is part of the General Education program. This requirement can be met by any of the following ways:

- Completion of Language 101-102 (or 110) at RIC with a minimum grade of C.
- Transfer credit from an accredited college or university.
- Transfer credit for a second language course from an approved study abroad program.
- AP Credit¹. A SCORE of 3 or higher (equivalent to 114) meets the requirement.
- EEP Credit.² If a student has EEP credit for 113 or 114, he/she will have met the requirement.
- CLEP TEST (French, German, and Spanish). SCORE: Level 1 test with score of 50 or higher
- ACTFL OPI (Oral Proficiency Interview) and written exam for languages for which there are no CLEP or AP tests. LEVEL: OPI (offered in 65 languages): Novice Mid to High. Written test: Novice High (offered in 12 languages).
- SAT II Subject Test (scores vary according to language)
- Foreign/International students: An official high school transcript from a non-English speaking country of origin

¹ If a student scores 3 on the Advanced Placement Test in French, German, or Spanish RIC awards 6 credits (equivalent to 113 and 114). They will have met the second language requirement. Students who wish to receive credits for 101 and 102 will have to take the CLEP test.

² Students who receive EEP credit for 113 or 114 will also have met the second language requirement and will need to take the CLEP test if they wish to receive credit for 101 and 102.
