 † Gender Neutral Restrooms

Capital letters on map designate parking areas. Some of these lots are restricted. See ric.edu/parking for more information.

† Gender Neutral Restrooms
 Single occupancy restrooms located throughout campus, heretofore assigned by gender but in practice often used irrespective of gender, have been designated as gender neutral. These converted units address concerns about gender imbalance and gender identity in the availability of restroom facilities. Each unit is ADA compliant and provides a private, family friendly facility for occasions when the gender of a parent differs from that of a child or for when a caregiver must tend to an individual in need of assistance.
