This Adapted Literature resource is available through the Sherlock Center
Resource Library.

The text and graphics are adapted from the original source. These
resources are provided for teachers to
help students with severe disabilities participate in the general curriculum.

Please limit the use and
distribution of these materials accordingly.

My Color Matching Book

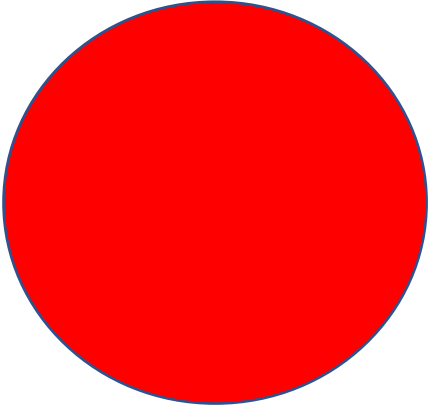

Adapted for Children with Visual Impairments

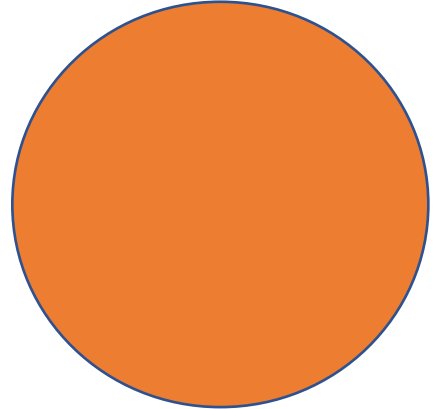

Directions: Print this book on white paper. Cut out both sets of circles. Glue one set of circles on black construction paper, except for gray, black and brown; use white paper instead. Laminate pages and separate one set of colored circles. Using clear Velcro, student can match the correct color to the pages.
