Little Cloud by Eric Carle

The clouds moved out of sight.

Little Cloud changed into a giant cloud.

The clouds pushed up and away.

Little Cloud pushed downward and touched the tops of the

houses and trees.

The clouds moved out of sight.

Little Cloud changed into a giant cloud.

 Little  cloud  changed  into  a sheep.

 Sheep  and  clouds  sometimes  look  alike.

Little Cloud changed into an airplane.

Little Cloud often saw airplanes flying through the clouds.

Little Cloud changed into a shark. Little Cloud once
saw a shark through the waves of the ocean.

 Little  Cloud  changed  into **2**  trees.

 Little  Cloud  liked the  trees  never  moved  and stayed

 in **1**  place.

 Little Cloud changed into a rabbit.

 Little Cloud loved to watch rabbits dash across the

 field.

Then Little Cloud changed into a hat.

Little Cloud changed into a clown and needed a hat.

Little Cloud changed into a clown and needed a hat.

The  other  clouds  drifted  back.

 They  huddled together.

Little  Cloud  drifted  towards the  other  clouds.

Then  all the clouds  changed  into  one  big  cloud

and  rained!
