June Meeting

Toilet Training: Practical Strategies for Success!

PRESENTED BY THE AUTISM PROJECT

Susan Jewel, Manager of Family Supports
Deb Langevin, Respite and Training Coordinator

Toilet training individuals with special needs can be challenging for parents, caregivers and professionals. Attend this two-hour in-person training to better understand the needs of children with autism and other developmental disabilities. In this one-of-a-kind workshop, you will learn strategies to support children of all ages to use the toilet successfully and have the chance to ask questions and problem solve with parents who have been through this process!
