

A large, faint watermark of the Rhode Island College crest is visible across the background. The crest features a circular design with the words "RHODE ISLAND COLLEGE" around the top edge and "FOUNDED BY HENRY BROWN 1843" around the bottom edge. In the center is a shield with a anchor, a plow, and three sheaves of wheat.

RHODE ISLAND COLLEGE  
Commencement 2021

## CONGRATULATIONS TO RHODE ISLAND COLLEGE CLASS OF 2021!

Without question, this past year has been one we will never forget. A global pandemic has impacted every aspect of our daily lives, including your fall and spring semester of classes and your commencement ceremony.

As one who has dedicated his life to service in higher education, I have always looked for teachable moments and learning opportunities as part of our life's journey. So what then is the lesson to be learned in this moment?

We have come to recognize that the work ahead of us is not just recovering from COVID-19. As a new RIC alum and soon a member of the state's workforce, this year also presented us with a painful national discourse of racial and structural inequalities that are challenges for us to address now and for generations to come. With this said, I am confident your Rhode Island College degree has prepared you well to face these societal issues head-on.

In the midst of these social and economic pressures, there is one thing that I know for sure - this is a pivotal moment in time. It will shape you, but it will not define you. It will impact you, but it will not defeat you. It will burden you, but it will not stop you because you are now a Rhode Island College graduate.

I believe that this changing moment of social isolation, social distancing and social justice lets us know how important it is that we are TOGETHER--united across race, ethnicity, national origin, religion, gender, sex, ability or ideology. Imagine what would happen if we used our collective power and, in a unified voice, tackled these important issues confronting us today.

The world needs you in this moment. We all need you. We need our nurses, health professionals, social workers and mental health specialists. We need our physical scientists, computer scientists, mathematicians, accountants, business leaders and entrepreneurs. We need our educators, historians, and writers. We need musicians, artists and artisans. Class of 2021, we need your help. We are never going to solve the challenges we all face by waiting for someone else to do it, or only asking a few. We must do it together.

Fueled by the experiences of this moment and the education you have gained at Rhode Island College, I have no doubt that you will succeed. To be sure, your diploma will forever serve as a reminder of this moment, but more so, I hope you view it as a testament to your hard work, sacrifice, commitment and resolve. Please know that the accomplishments that we recognize this year will long serve as a source of inspiration for your family, the Rhode Island College community and this State.

On behalf of the Rhode Island College faculty, staff, administration and alumni, I extend my heartfelt congratulations to the Class of 2021! YOU DID IT!

Yours in education,

Frank D. Sánchez  
President

## FACULTY OF ARTS AND SCIENCES

### MASTER OF ARTS
