

## UNDERGRADUATE CURRICULUM COMMITTEE (UCC) ACTION FORM

---

OCTOBER 2014

Report of Undergraduate Curriculum Committee Action  
Document(s): #14-15-012

Recommendation: Approve.  
Date of Action: 10/17/2014  
Originated by: Edythe Anthony, Biology  
(Department, Person, or Group)  
Effective date: Fall 2015  
Catalog citations: See pages on Curriculum website.

Comments: Request to reword the research elective for the Biology program to ensure students take on 3-4 credits if they choose this option. (Previous wording would have allowed for the research elective to have been satisfied by only one credit).

### APPROVALS

Chair, Undergraduate Curriculum Committee: Susan Abbotson

Date: 10/17/2014

Report of Undergraduate Curriculum Committee Action  
Document(s): #14-15-001 through #14-15-006, #14-15-008, #14-15-013  
and #14-15-014.

Recommendation: Approve.  
Date of Action: 10/17/2014  
Originated by: Eric Hill Biology and Medical Imaging  
(Department, Person, or Group)  
Effective date: Fall 2015  
Catalog citations: See pages on Curriculum website.

Comments: Requests to make changes to the configuration of the MRI courses, changing some titles and descriptions to be more accurate, deleting MRI 402 and the two CHEM cognates (no longer relevant to the field) to reduce the number of separate courses needed (and take out 9 credits), but adding credits to MRI 310,

311, 321, 410, 411, 421, and 420 to ensure a better coverage of required material. The program total will be raised by 1.5 credits from 74.5 to 76.

#### APPROVALS

Chair, Undergraduate Curriculum Committee: Susan Abbotson

Date: 10/17/2014
