

Early Childhood Educators

Rhode Island College Early Childhood Education Graduate Program Graduate Offerings Fall 2021

ECED 502: Curriculum, Developmental Play, & Programs
Thursday, 4:00-6:50 PM, Hybrid/Online
Call number for registration purposes: 11150

Development and content of curriculum and trends in research for early care and education through primary grades are examined.

ECED 662: Seminar in Early Childhood Education Research
Wednesday, 4:00-6:50 PM, Hybrid/Online
Call number for registration purposes: 10499

Students gain increased professional knowledge and competencies in finding, assessing, applying, and presenting data related to selected major topics in the field of early childhood education. The creation and defense of a major paper and a small-scale research study are required.

Register on-line at www.ric.edu For information, please contact Dr. McGuire-Schwartz at Mmcguire@ric.edu
