

## ACADEMIC RHODE MAP

BM MUSIC MAJOR in Performance--String, Woodwind, Brass, Percussion or Guitar

RHODE ISLAND COLLEGE

**GENERAL EDUCATION:** A complete listing of General Education courses can be found at the Office of Academic Support (OASIS) 401 456-8083 or online at <http://www.ric.edu/recordsoffice/Pages/College-Catalog.aspx>; look at catalog for year you enrolled. For Gen Ed courses, aside from Second Language requirement, which varies depending on where you are placed, you need ONE course from each category. Second Language 101/102 options are: American Sign, Arabic, French, German, Italian, Japanese, Korean, Latin, Portuguese, or Spanish. For other ways to satisfy the second language requirement look under the Gen Ed. section of the catalog. Any courses marked (F) offered Fall only; (Sp) Spring; (Su) Summer (some with session number included). All courses marked with an asterisk \* have a prerequisite. Courses with (WID) are Writing in the Discipline courses and will be writing intensive. Math Placement exam visit: <http://www.ric.edu/orientation/Pages/Math-Placement.aspx>

This map is a semester-by-semester plan to help you toward graduation in four years. Not everyone graduates in four years as it depends on how many courses you can take, and how you do in those courses. This map is not your only route; it is a suggestion. You might take additional courses over the summer or early spring to catch up or get ahead if the courses you need are offered at these times. While many courses in your major will have prerequisites that will need you to take them in a special order, there is some flexibility in this map, but always double check you have the correct prerequisites for a course you plan to take.

The column to the left on the other side of this page suggests the ideal courses for you to take each semester. There are times when those courses may be full or unavailable the semester you plan to take them, in which case consider another course from a different semester with which you can switch. The column on the right has "Checkpoints" for each semester that show where you should be by the end of that semester. You should work from this map as you plan each semester's schedule, before checking in with your advisor. The Map is designed primarily for freshmen coming to college for the first time, but transfer students may also use the Rhode Map with the understanding that they have most likely completed several requirements through transfer of credit, and will be starting further into the program. Maps assume a Fall start.

**GRADUATION REQUIREMENTS:** The following requirements must be completed by undergraduate degree candidates at Rhode Island College in order to graduate:

- General Education program, including a second language requirement and RIC 100 or its equivalent
- College Math Competency (which is separate from the Gen Ed math requirement)
- College Writing Competency (satisfied by FYW with a minimum grade of C)
- Academic Major—see check chart above.
- A minimum of 120 credit hours, with a minimum of 45 credit hours taken at RIC. Of the 45 credit hours, a minimum of 15 credit hours must be in the major (12 of which must be at the 300- or 400-level).
- A minimum overall grade point average of 2.00
- A minimum grade point average of 2.0 in your major; Music department additionally insists on a minimum grade of C in all courses.

For more information, check the Music Department website: <http://www.ric.edu/mtd/Pages/Music-Programs.aspx>

While the program only requires four semesters of MUS 164/269 Chamber/Masterclass, more than this is recommended, if possible, so some are included in the Map. The expectation is 6-8 credits from these three areas, the distribution to be determined by the Division Head and the Department Chair.

**NOTE: The minimum total credit count for this Music BM with concentration in Performance major is 77 credits (though with the extra recommended classes this total will be higher), also there are 36 additional credits of Gen Ed. (MUS/ANTH 167 covers the Arts distribution) and possibly 9 more depending on secondary language needs. The minimum credit count will be 113 credits (without secondary language and RIC 100), leaving 7 elective credits.**
