Under Academic Probation, you must adjust your upcoming course schedule to a maximum of 12 credits (8 credits if PT). Repeating courses in which you earned a D+ or lower is the fastest way to improve your GPA. Courses may be repeated once, and the new grade, whether higher or lower, will be calculated in the GPA. The original grade will still appear on your transcript, but will not be calculated in the GPA. Any changes to this plan must be approved in writing by your academic coach.
